Thanks Sr. Annette

After nearly 60 years on the Marycrest Alumni Board, Sr. Annette Gallagher has decided it is time to step down.

A 1948 graduate of Marycrest, Sister Annette has been an honorary lifetime member of the board. She believes she was still a student at Marycrest when she first was asked to join.

Many alums also may remember her for the 42 years she worked at Marycrest, including 19 years as a social studies professor and 23 years as a reference librarian and Marycrest archivist at The Cone Library.

As an Alumni board member, Sister always kept tabs on the happenings of many graduates so that we could share it in the newsletter. She brought a wealth of knowledge to her fellow members about the campus, the people and the history that will be hard to replace. And we'll definitely miss her proof-reading abilities.

In 2002, she celebrated her 60th year with the CHMs.

Sister, thank you for a lifetime devotion to the college, its alumni and the congregation. We already miss having you with us.

Stay Connected

(Left) Sister Annette Gallagher,
CHM c'48,
Honorary Lifetime Member

Keeping the Spirit of Marycrest alive is what many of us want. As long as everyone still wants this, then our board is willing to help keep the community together through functions throughout the year, e-mail notices, the Web site and our newsletters. We can not do this if we do not have the help of leaders and volunteers. Because we were an international school, thousands of alumni live around the globe, working to make their communities better places to live. Together, our voices can bring about positive change for the Marycrest Alumni Association and the world.

Everyone having some type of connection, comes back to Marycrest. Homecoming continues to be a huge success in keeping the school Spirit alive on the old campus.

Just because you graduated doesn't mean you have to lose touch with your student organizations. Help start an alumni affiliate group and reconnect with old friends, make some new ones, and find out what's happening in our active community today. Currently we are looking for new board members, Webmaster, committee members. Would you be willing to help start a alumni chapters in your city or anywhere around the globe?

We would like you to contact us at: board@marycrestalumni.com or visit our Web site at <http://www.marycrestalumni.com>.
